

Physiology and Pharmacology External Seminar Series 2010-2011

Held in 1-2pm rm 1.006 AV Hill

- Sept 27, 10 **Dr Blanche Schwappach** (University of Manchester, UK)
"Biogenesis of ATP-sensitive potassium channels - integrating cell biology and physiology"
Host: Holly Shiels
- Oct 4, 10 **Prof Adrian Woolf** (University of Manchester, UK)
"Renal tract smooth muscle differentiation and function: from gene to physiology"
Host: Nick Ashton
- Oct 11, 10 **Prof Mark Sansom** (University of Oxford, UK)
""
Host: Owen Jones
- Oct 18, 10 **TBA**
- Oct 25, 10 **Prof Colin Taylor** (University of Cambridge, UK)
"The private lives of IP3 receptors"
Host: Jason Bruce
- Nov 1, 10 **Prof Alistair Mathie** (University of Kent, UK)
"Mechanical modulation of cellular signaling: the sarcomere as a paradigm"
Host: Peter Brown
*External Examiner for Physiology Program
**to be held from 1-2:30 in Stopford LT3
- Nov 8, 10 **Prof Mathias Gautel**, (Kings College London, UK)
"Mechanical modulation of cellular signaling: the sarcomere as a paradigm"
Host: Holly Shiels/David Eisner
- Nov 15, 10 **Prof Anthony G. Lee** (University of South Hampton, UK)
"How Lipids Interact with Ion Channels"
Host: Owen Jones
- Nov 22, 10 **Dr Tania Maffucci** (Queen Mary University of London, UK)
"tba"
Host: Kath Hinchliffe
- Nov 29, 10 **Dr Llewelyn Roderick** (Babraham Institute, UK)
"tba"
Host: Joy Wang
- Dec 6, 10 **Dr Marko Vendelin** (Tallinn University of Technology, Estonia)
"tba"
Host: Holly Shiels
- Dec 14, 09 **Prof Mike Marber** (Kings College London, UK)
"tba"
Host: Joy Wang
